

SOFTWARE DEVELOPMENT AGREEMENT

BETWEEN

HEARTS AND SLEEVES

LIMITED AND

AURA TECHNOLOGIES

This SOFTWARE AGREEMENT ("**Agreement**") is made this 11th day of May 2026

BETWEEN

HEARTS AND SLEEVES LIMITED of Suite 309, The Fusion Plaza, Olusegun Obasanjo Way, Wuye, Abuja, FCT (hereinafter referred to as "**BUYER**") which expression shall where the context so admits, include its assigns, successors-in-title or personal representatives) of the one part;

AND

AURA TECHNOLOGIES of Von Garden City Estate Iugbe, Abuja) (Hereinafter referred to as "Developer") which expression shall where the context so admits, include its assigns, successors-in-title or personal representatives of the other part.

WHEREAS

- A. The Buyer has come up with an IT solution (the "Product") for the Property Management sector with the objective of digitizing and streamlining property management operations, including modules for maintenance request submission and tracking, tenant and landlord communications, financial recording and reporting, and tenant and landlord onboarding. The Platform shall provide secure, role-based login access for property management staff, tenants, and landlords, enabling each user to view relevant property information, financial records, maintenance logs, and tenancy details. It shall also include integrated messaging features allowing tenants and landlords to communicate directly with property management staff, with all interactions and records stored within the system.
- B. The Developer has agreed to develop the Product for the Buyer

NOW THEREFORE, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

1. DEVELOPER'S OBLIGATIONS

The Developer shall,

- 1.1. Design and develop the Product according to the functional specifications of the Buyer.
- 1.2. Deliver the final version of the Product, including source code, to Buyer only upon receipt of full payment under this Agreement. Interim builds or versions shared during development shall be for review purposes only and shall not constitute final delivery.

2. BUYER'S OBLIGATIONS

The Buyer shall;

- 2.1. Provide the necessary information and support to the Developer for fulfilment of its obligations under this agreement.

3. COMPENSATION.

- 3.1. The Buyer shall pay the sum of ₦3,000,000.00 (Three Million Naira) only to the Developer for the phase 1 of the project and depositing it into account designated by the Developer.
- 3.2. Each module payment shall be due and payable within **seven (7) days** of the Buyer's sign-off following successful User Acceptance Testing ("UAT") of the respective module. The Buyer shall conduct UAT promptly upon the Developer's notification that a module is ready for testing and shall provide written sign-off or a detailed written list of specific defects within **fourteen (14) days** of such notification. The Buyer shall not unreasonably withhold, condition, or delay UAT sign-off, and silence or failure to respond within the stipulated period shall be deemed acceptance of the module.
- 3.3. In the event that the Buyer fails to make any module payment within **fourteen (14) days** of the UAT sign-off date (or deemed acceptance date, as applicable), the Developer shall be entitled to suspend all work under this Agreement until such outstanding payment is received, without any liability to the Buyer for delays resulting from such suspension.

4. INTERLLECTUAL PROPERTY

Parties hereby agree as follows;

- 4.1. The Product shall be the sole property of Buyer.
- 4.2. The Developer assigns to Buyer all of its right, title, and interest in and to the Product specifically developed for the Buyer under this Agreement. This assignment shall not extend to any pre-existing intellectual property, tools, libraries, frameworks, methodologies, or components owned or licensed by the Developer prior to the commencement of this Agreement ("Developer Background IP"). The Developer hereby grants the Buyer a non-exclusive, perpetual, royalty-free license to use such Developer Background IP solely to the extent incorporated into the Product.

5. CERTAIN DISCLAIMERS

- 5.1. The Developer or its employees performing services for Buyer are not employees or agents of Buyer.
- 5.2. Nothing contained in this Agreement shall be construed to imply a joint venture, partnership or principal-agent relationship between the parties.
- 5.3. Nothing in this Agreement shall grant any party the right to make commitments of any kind for or on behalf of the other party, it being specifically recognized that neither party shall act as or hold itself out as an agent or representative of the other party.

6. CONFIDENTIALITY.

- 6.1. The Developer acknowledges that all material and information supplied by Buyer which has or will come into Developers possession or knowledge of Developer in connection with its performance hereunder, is to be considered Buyers confidential and proprietary information (the "Confidential Information").

- 6.2. For the purpose of this Agreement, confidential Information includes trade secrets, processes, data, know-how, program codes, documentation, algorithms, marketing plans, forecasts, unpublished financial statements, budgets, licenses, prices, costs, and employee and customer lists.
- 6.3. Developer agrees that to maintain the confidentiality and not to communicate any Confidential Information shared between them to any third party, without the written consent of the other Party.
- 6.4. The Developer shall be permitted to disclose relevant aspects of the other party's Confidential Information to its officers, agent, sub-contractors, employees, and professional advisers to the extent that such disclosure is reasonably necessary for the performance of its duties and obligations under this Agreement, and provided that such confidential information shall not be disclosed by such officers, agents, subcontractors, employees and professional advisers except in exceptional circumstances permitted under the law.
- 6.5. Upon termination of this Agreement, and provided that all outstanding payments owed to the Developer have been settled in full, the Developer will promptly deliver to Buyer all documented source codes and materials in its possession which relate specifically to the Product developed under this Agreement. The Developer shall be entitled to retain copies of such materials solely for its internal records and legal compliance purposes.

7. SUPPORT AND MAINTENANCE

- 7.1. The Developer shall provide Buyer and its employees with support and training consultations with respect to the use of the Product for a period of **three (3) months** after final delivery of the Product to the Buyer at no additional cost. Such support shall be limited to a maximum of **[120] hours per month** and shall cover guidance on the use of existing features only, and shall not include the development of new features, bug fixes arising from misuse, or system modifications.
- 7.2 The Developer shall deliver a detailed user's manual to Buyer on or before the termination of this agreement which will enable Buyer's employees who are otherwise unfamiliar with the Product to become adequately informed about using the Product.

7.3 Upon the expiration of the Training Period and following Buyer's request, Developer will provide any maintenance and support services necessary to ensure Buyer's continued use of the Product for a fee as may be agreed by parties.

8 EFFECTIVE TERM

This Agreement shall commence upon the effective date and continue until all of the obligations of the parties have been performed or until earlier terminated as provided herein.

9 TERMINATION

This Agreement shall terminate upon the occurrence of any of the following events:

9.1 In the event that either party defaults in any material obligation owed to the other party pursuant to this Agreement, then this Agreement may be terminated if the default is not cured following at least thirty (30) days' written notice to the defaulting party.

9.2 Either party is bankrupt or insolvent, or bankruptcy or insolvency proceedings are instituted against a party, and the proceeding is not dismissed within sixty (60) days after commencement.

9.3. Upon mutual written agreement of the Parties.

10. EFFECT OF TERMINATION

10.1. Confidentiality shall survive the expiration or termination of this Agreement.

10.2. In the event of early termination due to the Developer's material default or breach of this Agreement, the Developer shall refund to the Buyer only the portion of payments made that corresponds to modules or deliverables not yet commenced or delivered at the time of termination. No refund shall be due in respect of modules or work already completed and delivered to the Buyer's satisfaction prior to termination.

10.3. The Buyer's rights upon termination shall be limited to the remedies expressly provided in this Agreement. The Developer's total liability to the Buyer arising out of or in connection with this Agreement, whether in contract, tort, or otherwise, shall not exceed the total amount of fees actually

paid by the Buyer to the Developer under this Agreement.

11. LIMITATION OF LIABILITY

11.1 The total liability of the Developer under this Agreement shall not exceed the total fees actually paid by the Buyer.

11.2 The Developer shall not be liable for:

- indirect damages
- consequential damages
- loss of profits
- loss of business

arising out of this Agreement.

12. ASSIGNMENT

Neither party shall transfer or assign its rights, duties, and obligations under this Agreement, in whole or in part, without the prior written consent of the other party, which consent shall not be unreasonably withheld.

13. SEVERABILITY

If any term of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then this Agreement, including all of the remaining terms, will remain in full force and effect as if such invalid or unenforceable term had never been included.

14. FORCE MAJEURE

Neither party shall be liable for any delay or failure in performance resulting from causes beyond its reasonable control, including but not limited to acts of God, government action, internet outages, or natural disasters. The affected party shall promptly notify the other and shall use reasonable efforts to resume performance as soon as practicable.

15. HEADINGS

The headings used in this Agreement are for convenience only and are not to be used in construction or interpretation.

16. INDEMNITY

Each party ("Indemnifying Party") shall indemnify, defend, and hold harmless the other party from and against claims, actions, and proceedings arising directly from the Indemnifying Party's breach of this Agreement or its negligent acts or omissions. The Developer's indemnity shall not extend to claims arising out of instructions, specifications, content, or third-party materials provided by the Buyer.

17. DISPUTE RESOLUTION

- a. Parties shall use their best endeavour to settle amicably any dispute or difference of opinion between them, arising from or in connection with this Agreement through mutual discussion between parties.
- b. If parties are unable to resolve their dispute amicably within Thirty (30) days of the notification of a dispute to the other party by the aggrieved party, the aggrieved party may explore all legal means and remedy available to seek redress or recover any damages resulting from the breach.

18. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between the Parties and supersedes all prior understandings.

19. GOVERNING LAW

This agreement shall be interpreted and construed in accordance with the laws of the Federal Republic of Nigeria.

IN WITNESS WHEREOF the Parties have signed this Agreement on the date and year first above written:
